## Complimentary Airport Shuttle Instructions

### Welcome to Beautiful Miami

Now that you have arrived, it is time for you to find your way to the Complimentary Sheraton Airport Shuttle. Sometimes Miami International Airport can be a little confusing, so we want to make sure you have the clearest directions possible so we can welcome you to the Sheraton Miami Airport as quickly as possible.

\*First, collect any luggage you may have from the luggage claim area.

\*Next, (This is the confusing part) go **UPSTAIRS to the 2<sup>nd</sup> Level or Departure Level.** For the *American Airlines Terminal Only*, go to the **Middle** lane or **Median**.

\*Be on the lookout for one of our Sheraton Shuttles (Photos Above). There is no need to call for Shuttle Service as our shuttle service operates on a regular schedule every 15 Minutes from **5AM to 12AM**. Beginning **at 12AM**, shuttle service operates every 30 Minutes as the shuttle leaves the hotel on the hour and half hour and arrives to the airport shortly after. The Sheraton is just outside of the exit of the Airport and you will arrive in little time.

\*On rare occasions our Shuttles have a few too many guests, but rest assured, our transportation team is in constant communication with the hotel, so we will send another send another vehicle to the airport quickly.

Again, welcome, we hope to see you soon and often.
